Dear Mr. Piatek:

Thank you for your recent submission of the Cast Protector for NFHS review.

As the liaison to the NFHS Football Rules Committee, who is charged with giving responses to manufacturers' request about equipment, the Committee has concluded that your product sample does comply with the intent and purpose of NFHS Rule 1-5-3b(1) on page 21 of the 2011 NFHS Football Rules Book.

Please keep in mind that the NFHS does not endorse products and this letter just confirms that the sample that you submitted to the NFHS does comply with NFHS football rules.

You need to contact the NCAA to see what their interpretation is for the college level.

Again, thank you for your submission.

Sincerely,

Bob Colgate
Director of Sports and Sports Medicine
